MEMORANDUM FOR: Director of Training

SUBJECT : Weekly Activities Report  
19 - 23 July 1971

GENERAL

1. The CS training block in the IWA has just been completed. A staff critique is yet to be held. Informal preliminary reactions from the students of the first two days of the three-day block were favorable, particularly to the role-playing sessions. It seems clear already, however, that some adjustments and considerable polishing will be required before the next running.
